

Making Our New Year's Resolutions Work

2017

EDUCATIONAL
LEADERS
ASSOCIATION

1 To make time for me as an Educational Leader to meet, discuss, learn and share

My Action Plan:

Attend meetings that are specifically for Educational Leaders or organise one locally.

Put it in my diary to call another Educational Leader at least once a month.

Remember to note the best ideas from professional discussions in my reflective diary so that I can go over them later.

Read at least one new thing a month.

Check the ELA Facebook page for ideas and links.
