

The 2018 Standards of Practice

for Educational Leaders

We are leading professional practice in education and care across Australia

Standard 1

Educational Leaders think critically, and develop and analyse education and care professional practice

Standard 2

Educational Leaders develop, engage in and reflect on professional relationships

Standard 3

Educational Leaders maintain their skills, learning and qualifications for education and care professional practice

Standard 4

Educational Leaders comprehensively lead the development of curriculum and practice and lead Educators in the implementation of the curriculum

Standard 5

Educational Leaders lead daily practice and curriculum and programming processes

Standard 6

Educational Leaders lead Educators in safe, appropriate, quality education and care practice
